Mission of your Organization (from your group's constitution)

The transition from military to civilian life can be one of the most difficult challenges Veterans can face. It is our hope at Rutgers University RU Vets (Student Veterans of America Chapter), to make this transition as smooth as possible. We are a support organization dedicated to the well-being of our members and the student body. We are comprised of Veterans, Veteran supporters, family members, and peoples of our local community. Through these relationships we will create a unified and diverse support system for our transitioning student Veterans and student body members.
