SABO advisor

Do you have approved storage space on campus?

Yes

If so, where is that storage located?

Lucy Stone

Mission of your Organization (from your group's constitution)

NADI is an organization whose purpose is to raise awareness of diabetes and hypertension, while also providing the diagnostic and educational tools necessary to lead a preventative lifestyle. The purposes of this Organization shall be: A. To raise awareness about hypertension and metabolic syndrome through preventative workshops, medical tables, and educational programs offered throughout NJ. B. To educate Rutgers students about blood pressure measurements, blood glucose measurements, and the changing diagnostic criteria and prognostics of hypertension, Type II diabetes, and metabolic syndrome C. To promote communication and interaction with the community, student organizations, and medical field by providing advice from medical and dental students. D. To conduct basic epidemiological research pertaining to Type II diabetes and hypertension and teach students the basics of biostatistical analysis E. A focus on the health status of minorities, including the South Asian population F. To promote leadership and student involvement in the community. G. To increase knowledge of common preventative and treatment practices for hypertension and metabolic syndrome. H. Increase awareness of causes and symptoms of stroke (due to hypertension). I. To understand the latest research and studies concerning Type II diabetes and hypertension protocols and diagnostics.

Select Type of Funding for First Appeals Request
