Mission of your Organization (from your group's constitution)

National Students for Justice in Palestine is a collective of organizers that supports over 200 Palestine solidarity organizations on college campuses across occupied Turtle Island (U.S. and Canada). By promoting an agenda grounded in values of freedom, solidarity, equality, safety, and historical justice, we seek to elevate the student Palestine solidarity organizations network to a deeper level of political engagement. Through creating a platform for collaboration, providing organizational and educational support, developing accessible resources for student organizers, and connecting student Palestine solidarity organizations with the broader global movement for justice in Palestine, we aim to develop a student movement that is connected, disciplined, and equipped with the tools necessary to build grassroots momentum for Palestinian liberation.
