As per our advisor's recommendation, we would board NJTransit to the nearest stop (New Brunswick -> Newark Penn) then utilize Uber or Lyft to travel from Newark Penn to the trip location (Liberty Science Center). Doing this would minimize travel costs. For 30 students, round-trip tickets would total to approximately $600, while Uber round-trip for these students would average to about $480, with roughly $40 per car, each car holding 5 people.
